

Christmas Night

Alexandra Schmal

When that night draws near, and you think: „Hey, what happens now?“
Let all your worries disappear, 'cause this is the right time to calm down.
Sit down and put up your feet. Relax, yes, that's what you need.

When that night draws near, and you wish you had a gift to give.
In every shop you hear: „Wouldn't you also be pleased to receive.
Hey, what if you said, I have so much more to give that you ever could sell!

**'Cause He was the one who brought love and light.
Yes, He once was born on Christmas Night!**

When that night draws near and you let last year pass in review.
In your mind get's clear, what you did and what you refused to do.
Hey, it's not just to give, much harder, it's about to forgive.

**'Cause He was the one who brought love and light.
He's in the big, astounded children's eyes in front of every candle light.
He's in the smile of those, who's greatest gift is love in their life.
Yes, He once was born on Christmas night!**

Snow is falling gently, fire crackles, giving light, the smell of Christmas cookies in
the air.
Wow, it is good to be home, wouldn't you agree on that?! When the ones you
love the most show their lovin' in return, by spending this time together with you.

**'Cause He was the one who brought love and light.
He's in the big, astounded children's eyes in front of every candle light.
He's in the smile of those, who's greatest gift is love in their life.
Yes, He once was born on Christmas night!
He is the way, He is the truth, He is life!
Yes, He once was born on Christmas night!**
