

My One and Only

Alexandra Schmal

Lord, you know my heart. You made me complete. Refill me with you now, you that watches over me. Your love is all I need - new everyday.

Show me your way, open my view. Talk into my spirit
I return myself to you. Your presence's all I need - new everyday.

You are my One and Only, Lord, my God!

Your beauty is so awesome, your love fills up my heart.

You gave your One and Only just for me! Lord, you're unbelievable and jet I know that you are here!

I lay it all down for you, holding nothing back.

Judge according to your will, Lord, and infold me with your light.

Your grace is all I need new everyday.

You are my One and Only, Lord, my God!

Your beauty is so awesome, your love fills up my heart.

You gave your One and Only just for me! Lord, you're unbelievable and jet I know that you are here!

Bridge:

Only to sing about you straightens me up, it lifts my soul up to you, my Lord, Jesus. Where would I be without you, when only through you I realised who I really am, Jesus.

You are my One and Only, Lord, my God!

Your beauty is so awesome, your love fills up my heart.

You gave your One and Only just for me! Lord, you're unbelievable and jet I know that you are here! (2x)
