

TALK ABOUT IT

Alexandra Schmal

D C G D C G

People of this so-called adjusted society they're creepers.

D C G D C G

They say 'yes', smiling and thinking 'What an idiot, this dreamer!'

am C G am C G

Never losing his temper, but inside there's so much to be let out.

D C G

Talk about it say it loud, there's no use in being proud,

D (C G)

realise your way is not the only way!

D C G

Talk about it, say it straight say'n tomorrow is too late,

D (C G)

take your chance for what you wanna say!

D C G D C G

Wise man said that everyone, may he be big or small are all the same.

D C G D C G

They're just looking for their own profits, they're all greedy for gain.

am C G am C

Would you live in destitution, if you'd get for a change an honest

G

appreciation.

Talk about it say it loud, ...

em C G em

When you're in trouble, a misunderstanding, and your life seems pretty

F C G

odd. Take all your courage and get on out there, 'cause there is something

A

you forgot.

Talk about it say it loud, ...
