

You are God

Alexandra Schmal

What's that sound? Moaning and fighting all around.
Why does this have to be? Mankind is not getting wiser, it seems.
We're going round and round and round in circles, but getting nowhere.
You're the only one we can hold on to, 'cause you're still on top of all that.

Chorus:

You are God! You are Go_____d!
You are most sovereign and wi_____se! You are God!

Everywhere we get a hundred chances to share
some of our love some of our time, let's leave the fear of men behind.
We're going on and on towards the finish. Are we prepared enough?
Noone can say how much we pray, it is all up to You. We all just need your grace!

Chorus:

You are Go! You are Go_____d!
You are most sovereign and wi_____se! You are God!

Bridge

Round and round and round and round in circles,
on and on and on towards the finish.
Where shall we go? What shall we do? Who's gonna help us through?
Where shall we go? What shall we do? Lord, all we need is You!

Ahhh, there You are.

Chorus:

You are God! You are Go_____d!
You are most sovereign and wi_____se! You are God!
