

Your way

Alexandra Schmal

Great, great are all of Your ways, Lord. At times hard to take and hard to understand.
I pray, pray that You send the help You promised. Your ways are always good.

Your way can never be wrong, no!

You say: ‚Take the narrow road, not the broad!‘

We might not understand everything that You do, still we gonna
follow, follow, follow Your way till the end. Yes, we gonna
follow, follow, follow Your way till the end.

Teach me, teach me to do after Your will, You're my God!

Your good spirit leads me on the planar path. (Ps. 143/10)

Rise, rise! I will become light, as the Lord's glory shines! It rose upon me.

Your way can never be wrong, no!

You say: ‚Take the narrow road, not the broad!‘

We might not understand everything that You do, still we gonna
follow, follow, follow Your way till the end. Yes, we gonna
follow, follow, follow Your way till the end.

Love, love, is the answer to all I fight with! Hope, hope, until it all becomes true!

Faith, faith gives me wings to cruise easily. Nothing, nothing is to hard when You're
with me!

Your way can never be wrong, no!

You say: ‚Take the narrow road, not the broad!‘

We might not understand everything that You do, still we gonna
follow, follow, follow Your way till the end. Yes, we gonna
follow, follow, follow Your way till the end.
