A9 Ε Hsus E **A9** Hsus When night is falling and I did all I could do, Hsus E **A9 A9** Hsus I hear you calling, I wanna be right there with you. Bsus c#m Bsus Through this peaceful quiet I feel the heaven cry, Bsus c# the rain on my skin as if you wanna sigh Ε Bsus c#m A9 Ε Bsus c#m A9 Like an angel - calling out my name. Like an angel. Bsus c#m A9 Е Bsus Like an angel - halling through the rain, halling through the rain, EA9 **A9** Hsus Ε Hsus I see you smiling - my heart's melting away. Hsus Too far to be near, still you reach me to say. **A9** Bsus c#m Bsus **A9** Have no fear for I will lead you through the dark! Bsus c# A Α9 With my eyes on him, I knew he gonna talk. Ε Bsus c#m A9 Ε Bsus c#m A9 Like an angel - calling out my name. Like an angel. Bsus c#m A9 Like an angel - halling through the rain, halling through the rain, **A9** Ε E/D# c#m Your love is covering my soul, you're taking away, oh, the darkest day. **A9** Ε Bsus You're keeping me warm, oh, everyday, always. Ε g#m c#m Like someone I know long you where reading my heart right from the start. For you taking my high, I pray you'd come and sigh.

Like an angel ...
